DEAN'S MESSAGE

Dr Mayuri Pandya

Dean
Faculty of Law
GLS University

Greetings from Faculty of Law, GLS University!!!

GLS University's vision is to foster excellence in the field of education. Taking this vision forward, Gujarat Law Society, the sponsoring body of GLS University, since its inception in 1927, has distinguished itself by its excellent academic programme delivery, faculty acquaintance, Corporate Partners, Global Strategic Alliances and Visionary Leaders. Gujarat Law Society, since last 96 years, has had an unmatched legacy in imparting legal education and Faculty of Law (FOL) under the aegis of GLS University, in a short span has catered to this immensely growing need of quality legal education.

Faculty of Law offers five years integrated law programmes in B.A.LL.B. and B.B.A.LL.B. (Hons.) at undergraduate level. The FOL also offers one year LL.M. in the areas of Criminal and Security Law and Corporate and Commercial Laws.

Here at FOL, we provide a rich set of curricular and co-curricular opportunities for the students to explore and act upon, thereby developing various skills, values and virtues of Legal Education that would aid them to shine in their legal profession. Discipline, Values and Integrity are the very foundation of our institution. We aim to not just impart knowledge to the students, but also to inculcate in them - wisdom, compassion and a humanitarian spirit.

We are committed to nurturing our students into qualified lawyers and judges, bureaucrats, academicians, intellectuals, leaders and socially responsible citizens so that we contribute and endeavour to the advancement of professional expectations of legal education. There is a visible drift from 'lawyer centric, provincial, labour-intensive guild to a customer- focused, global, digitized industry'. There is transition which can be seen in legal profession which requires mustering new skill sets by the students like the emerging areas of Artificial Intelligence, Climate Change, Cyber laws, Anti-trust, Energy Laws etc. Legal Education cannot stand static and alone, thus students needs to equip themselves with the tools to infuse their young brains with the ability to analyse and evolve solutions to the contemporary problems. And the Faculty of Law does just that. Enhancing and fostering young minds to question, think and react towards betterment and development of the laws governing the nation and globe as a whole.

Our Alumni are already making the institution proud by achieving excellence in law and all interlinked fields and thus we invite all prospective students – these young powerful minds to come join our journey of making FOL achieve newer heights of success.
